

St. Paul's Hospital Heart Centre Nursing Presents...

Cardiology Nursing Day 2010

Heart Failure: The Long & Winding Road

Please join us as we examine the complex journey of the heart failure patient. Pharmacology, nutrition, self-Management, atrial fib, and interventions in heart failure will be discussed! Patients will also speak about their experiences of living with heart failure.

Thursday, June 3rd 2010
University Golf Club
Vancouver, BC
