

# HEART TRANSPLANT VALUES

The heart transplant program adheres to the Values outlined by Providence Health Care:

**Spirituality, Integrity, Stewardship, Trust, Excellence and Respect**

## **SPIRITUALITY**

- Fostering holistic well-being including the patient's spirituality

## **INTEGRITY**

- Accountability
- Honesty
- Freedom from coercion
- Informed choices

## **STEWARDSHIP**

- Altruism
- Transparency
- Fairness

## **TRUST**

- Trustworthiness
- Confidentiality

## **EXCELLENCE**

- Clinical Competence
- Knowing our limitations

## **RESPECT**

- Patient who decides
- Allow for the patient's perception of holistic well-being and QOL
- Compassion
- Provide empathetic understanding
- Respect for each other
- Respect for the patient and family
- Dissenting voices
- Unconditional positive regard
